Sea Scout TRAINING for leaders in your country

Describe if you have any special training for leaders

- From 6 years old: sailing courses of different levels according to their knowledge, at a nautical club in our city (Barcelona).
- Scouters: first aid organized by national organization and courses of boat pattern at the nautical club.

Sea Scout "ORGANIZATION" in your country

National level:

- National Sea Scout committee (Equip marí), 5 members, chairman 2012: Alba Gómez Segura
- Responsibilities: organizing the sea scout groups of Spain, providing information to them, keeping them in touch with international sea scouts, grant international activities.

Lack of facilities of Sea Scouting in Spain

- Partnerships Sea Scouts (non-scout organizations)
- Strict laws
- Number of sea groups
- Money
- Lack of opportunities

Anything else you would like to discuss during Eurosea?

Three axes:

- Ecosystem
- Nautical
- Maritime Culture

Anything you would hope from Odysseus group?

- What should Odysseus do?
- What could you do for Odysseus? / for international sea scouting?
